## Accommodation

TU Delft has no student accommodation, but mediates between international students and housing corporation DUWO. DUWO accommodation for exchange students consists of a single room in a flat, where kitchen and bathroom facilities are shared with the other occupants. The accommodation is fully furnished and supplied with cooking utensils and bed linen. A washing machine is usually available. Furnished private apartments are also available (with its own kitchen and bathroom facilities). Almost all rooms have an internet connection. All accommodation is situated within three kilometers of the University.

DUWO provides a contract for a fixed rental period of one or two semesters. This means that you are bound for the full term of the contract and that you have to make a choice beforehand whether you want to have a contract for the first, second or both semesters. It is impossible to extend a contract afterwards. The rent ranges from € 450,- to € 600,- per month for units varying from private to units with shared facilities. The rent includes gas, water, electricity, internet connection and municipal taxes.

To apply for DUWO accommodation you are required to pay an administration fee of € 178,50 and a deposit of € 450,- to the International Office of TU Delft. Detailed information about the costs, the conditions and the payment deadlines is available from March 2010 onwards via our website [www.tudelft.nl/exchange](http://www.tudelft.nl/exchange) > accommodation.

### Arranging accommodation by yourself

Housing in Delft is scarce, especially in September when many (international) students are looking for rooms. Although it is possible to find accommodation yourself, it is not easy. More information on arranging your own accommodation can be found on our website: [www.tudelft.nl/exchange](http://www.tudelft.nl/exchange) > accommodation.

Please note: If you decide to look for accommodation yourself TU Delft cannot mediate for you at a later stage

## Introduction week

In the final week of August, from 19 August till 27 August 2010, TU Delft is organising an Introduction Week for all its new international students. During this week the International Office, your faculty and your fellow students will welcome you to TU Delft, introduce you to its educational system and organise plenty of activities to help you find your way around Delft and the Netherlands. Participation is obligatory for all two year master students. Exchange students may participate on a voluntary basis, but have to pay 150 Euros. More information about the programme and the payment deadline is available via our website: [www.tudelft.nl/exchange](http://www.tudelft.nl/exchange) > Introduction Week.
